SANNIHITA SRADHA NIVAS BOYS HOME - BOLLARUM

ANNUAL REPORT 2020 - 2021

Introduction:

We were all facing a pandemic situation right from early days of March. We had all locked down, but in spite of this Covid -19 situations, Sannihita Girls Home pulled up its sleeves to take the issue forward. We tried to make the survival happen. We believed that we have the Strength & courage to provide care to the home children and as well as to the parents, guardians and to our children, who were repatriated at that time.

Due to the covid-19 situation prevailing in the society some of our residential team have gone to live with their families. We had to send few children to their parents, guardians up to May 2020.

The children were attending classes run by the senior students and by our residential team. Online classes through teachers some children's through zoom app and Google meetings started happening from July onwards.

EDUCATION DETAILS OF THE CHILDREN

CLASS	NUMBER OF STUDENTS

10 th	12

10 th Passed out /Intermediate 1 st Year	13
Intermediate 2 nd Year	15
Degree 1 st year	11
Degree 2 nd year	3
Total	100

ONLINE CLASSES

With online education, students can view their course syllabus and academic progress. It can include audio, video, text, animations, virtual training environments and live chats with their instructors and fellow students. It's a rich learning environment with much more flexibility than a traditional classroom.

Online classes through T.V.Dooradharshan Channel (Government) was informed and facilitated. Due to pandemic situation, the home residential teacher have taken regular classes, made the children practice critical words and sentences on the board without confusion. We made sure that they repeat the sentences so that they can pronounce well. They identify the children who are slow learners and take special care by teaching them with audio visual material made by our team and on line educational material.

Online Class by Mr. Sreekanth

Ms. Jayamma-Teacher taking Hindi classes for the children

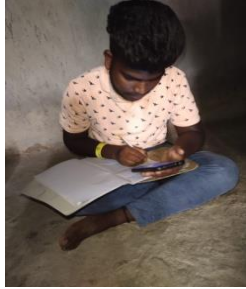

Project works done by children:

P. Rajesh
9th class

M. Karnakar
9th class

VALUE EDUCATION

Our Director Mrs. V. Usha Rani explaining the children about the value of education and also about the safety measures to be taken against Covid-19.

PHYSICAL FITNESS

“Yoga is an art, a science and a philosophy. It touches the life of man at every level, physical, mental, and spiritual. It is a practical method for making one’s life purposeful, useful and noble. So we make the children do Physical Exercise and Yoga early in the morning **5:30am to 6:30am**

LIFE SKILLS

Any skill that is useful in your life can be considered a life skill. Certain skills may be more or less relevant to you depending on your life circumstances, your culture, beliefs, age, geographic location, etc. so, our concern staff will teach the children about some life skills like:- Communication, interpersonal, creative thinking etc.

Rishi , Chintu, Vickey, Prathap, Shivakrishna, Suresh, Thouseer are listening to life skills class teaching by Mr.Ashok, Mr.Naveen & Ms.Rajeswari

HEALTH CARE

The fundamental purpose of health check-up to the children is to enhance quality of life by maintaining good health by preventing, diagnosis, treatment, recovery, or cure disease, illness, injury, and other physical and mental impairments in the children.

Our Director V. Usha Rani has instructed that if any child has the symptoms of any sickness immediate care and proper medication is to be provided.

Health Check-up:

General health check-up for children was done by Family Planning Association of India.

You can see the children attending the health camp and notice that they all are healthy.

BLOOD TEST:

Blood Test was done to the children monthly once to check the health condition of the every child.

EYE TEST:

Eye check-up was done by Dr. Srikanth, Pushpagiri Eye Hospital. They have given eye drops to those children who have problem and also issue spectacles to some children (Raj Joshi, Vicky & Venkatesh) who have site problems.

COVID TEST:

Conducted on 13.12.2020 by Bollaram Government Hospital to all the Children and tested 'Negative'.

HOME SANITIZATION:

Usha madam has instructed that the home should be sanitized for 3 times a month, every 10 minutes to sanitize the hands and to see that everyone wears the mask.

FOOD

Nutrition food care is the main aspect in the home towards children; home team will follow the menu as decided by the food committee and home management team as per the instruction and food policy. Menu is prepared with children tastes ideas and suggestions of home mothers as the market value and season wise. Menu is important as child physical and mental health reflects on it. So home mothers explains about the nutrition values of vegetables, eggs, etc. to children.

Ms. Ramya teaches English time 5am to 7pm.

CHALLENGES

It is always a challenge to make celebrations and involve the children to celebrate in our homes. Children are given about the day and its values in our life's the people who inspire us who depend upon and their sacrifices work need to be acknowledge by the children. This will constantly remind about their responsibilities for the society when they grow.

PARENTS MEETING

Agenda of the meeting: The session was conducted by Director Sri. Usha Rani.

The discussion with the parents was on the precautions to be taken during COVID-19 and the need for maintaining proper sanitation and personal hygiene after taking children to their homes.

- The director has instructed the parents to take good care of children and to wear face masks at homes and in groups. She has also provided masks and provisions required for a month to all of them. She has cautioned them to be very careful in their diet plans which should include nutritious food and warm water with ginger soup daily to combat COVID.
- The staff explained them to be available always on their contact numbers for providing them timely help if anything goes wrong with the children health.
